## WELCOME AND BEJERANO CHARGED FOR ROBBING CHINESE GROCER

**SAN IGNACIO TOWN, Cayo, Thursday, May 14, 2009:**

Two Santa Elena boys were today arrested and charged for the robbery of a Santa Elena Chinese Supermarket.

San Ignacio Police say that they have strong evidence linking, **Albert "Black" Welcome**, 20, of an Avella Street address in Santa Elena and **Lloyd Bejerano**, 19, of a George Price Avenue address also in Santa Elena Town, to the crime.

Welcome and Bejerano will be appearing before magistrate **Kathlene Lewis** on Friday, May 15 to answer to the charge.

Chinese grocer, **Zhu Bing Chi**, 18, reported to police that at around 1:20 pm, on Wednesday, May 13, two

masked men entered his store, held him up at gunpoint and made off with cash and phone cards.

According to Bing Chi, the two men each had a blue and white handkerchief covering their nose and mouth. One was armed with a short gun and the other was unarmed.

The armed assailant reportedly remained in front of the counter with the gun pointed at Bing Chi while the other one walked behind the counter and removed all the cash and phone cards

### Or Are We Waiting For A Major Accident To Happen?

The low laying temporary wooden bridge, connecting the twin towns of Santa Elena and San Ignacio, was built several years ago as a temporary crossing while the main Hawksworth Bridge was undergoing major repairs. Today this bridge has evolved into anything but temporary.

In fact it is of such vital importance to transportation in the west that when it was out of commission for almost three weeks during the great floods of October 2008, the motoring public was severely inconvenienced. There were long lines of traffic on both sides of the Macal River when the Hawksworth Bridge was pressed into providing 2 way service.

The many years of service has taken its toll on the low laying temporary bridge. The Ministry of Works is now frequently replacing planks and repairing the carriage way; However, the subsurface, especially some of the wooden pillars supporting the structure, have deteriorated to the point of creating a hazardous condition.

To the unsuspecting motorist who drives over the surface, all appears to be well and fine; However, to the swimmer who recreates in the waters of the Macal River near the bridge, the deterioration is real and appears to be an accident just waiting to happen.

Except on those rare occasions when the Hawksworth Bridge is pressed into emergency two-way operation, the low laying temporary wooden bridge is used as a crossing for all forms of vehicular and pedestrian traffic. It bears the weight of loaded petroleum carriers and cement cargo trucks while the subsurface continues to deteriorate with every passing day.

Having full charge of the structure as it forms part of the national network of roads, the Ministry of Works, no doubt is aware of the situation. The question therefore is: When will this situation be rectified or are we waiting for a major accident to happen?

## The Woman With A Special Gift

The weather was very hot and this man wanted desperately to take a dive in the Macal River but he did not want to get his clothes wet.

He looked around and there was not a person in sight so he took off all his clothes and got into the water.

After some delightful minutes of cool swimming, a pair of old ladies walked onto the edge of the river in his direction. He panicked, got out of the water and grabbed a nearby bucket.

He held the bucket in front of his private parts and sighed with relief.

The ladies looked at him. He felt awkward but still managed a faint smile.

When she was very close to him, one of the ladies said: "Mister, I have a special gift, I can read minds."

"Impossible", said the embarrassed man, "You really know what I am thinking at this very moment?"

"Yes", the lady replied.

"So what are you waiting for, tell me what I am thinking."

The lady answered, "At this

very moment you are thinking that the bucket you're holding in front of you has a bottom."

## Discarding The Unfaithful Girlfriend

John was serving a second tour of duty in Iraq when, amidst the daily bombings and the uncertainty of surviving from one day to the next, he received this letter from his girlfriend.

"Dear John;

*I regret to inform you that I am breaking off the engagement because I have found someone new. Please return all the pictures I sent you,*

*Bye Jenny."*

John went out and collected from his friends all their unwanted photographs of women that he could find.

He bundled them all together and sent them back to the girl with a note saying:

"Dear Jenny,

*I regret to inform you that I cannot remember which one is you. Please go through this pile, pick out yours and return the others.*

*Bye John."*

### When Will Our New Clinic Open?

**Dear Editor;**

The southern village of San Antonio in the Toledo District now has a spanking new and impressive poli-clinic.

Out here in the west, a new poly-clinic has been in the making for several years. The

building was started by the previous administration.

Do you know when our new clinic in San Ignacio will be coming into operation and what is delaying the process?

### Putting The Question To The Ministry

**Ministry of Health, Belmopan**  
**Dear Ms. Phillips**

Questions that readers are repeatedly asking.

*1. "When will the new Poli-Clinic in San Ignacio come into operation?"*

*2. "What is delaying the coming into operation of this facility?"*

Can you please assist us with answers to these questions.

**Nyani Azueta-August**  
**STAR, Editor**

### The Ministry Responds

**Dear Editor;**

Thanks for letting us have the opportunity to answer these questions.

To answer the second first:

2) The reason for the delay is that we need to purchase and install a back up generator for the new facility.

The previous administration had reprogrammed the funds identified for the generator to other activities.

This administration was forced to look for an additional

\$200,000.00 for this purpose.

1) The good news is that funds have now been identified. Tenders for the purchase and installation of a new generator were invited and five bids are currently being reviewed.

**The installation is expected to be complete and the hospital opened before the end of June.**

## Successful Weekend Activities In Bullet Tree Falls Village

**BY: Mary Carridi**  
**BULLET TREE FALLS VILLAGE, Cayo, Thursday, May 14, 2009:**

The Bullet Tree Youth Association and the Environmental Club held their Annual River Clean Up Campaign and the first River Volleyball Tournament this past Sunday.

It gives us great pleasure to inform that both events were very successful.

Everyone who attended enjoyed themselves and had a good time.

There was lots of good food and the music was extremely entertaining.

Hats off to **Noemi Manzanero** for her bright ideas, her hard work and great spirit in assisting to make this event a great success. We would also like to thank Lucas Medina and the young man from the Environmental Club.

A big thank you also goes out to **Victor Perez** for his time and the use of his truck for transporting all those loads of sand, we could not have done it without Mr. Perez.

A special thanks to the Village Council, and especially to the Village Chairman **Mr. Manuel Balan** and a few others. Thanks for all the help. You’ve been there every time we’ve needed you.

Finally a great big thank you to the mothers and fathers and the young people from the village who made both events the success they were. Keep up the good work.

River Volleyball will be held every Sunday in Bullet Tree

This year’s honoree is **Joel ‘Dara’ Robinson**. Even with minimal personal resources and humble personality, Mr. Robinson has taken it upon himself to help children with meals at two schools and is trying to expand to other schools.

What is remarkable when you speak to Mr. Robinson is his genuine concern for our young people and for our society.

He is not doing this for

Falls until the rainy season begins. For more information please contact Noemi at 668-3868 or 804-0436 after 5:00 p.m.

recognition, nor is it merely about trying to ensure that other children would not have the same experience he had as a child of not having enough to eat at home.

No, he has a genuine concern for his fellow men and women/ brothers and sisters.

He truly embodies the Spirit of Ubuntu...he is truly showing his humanness through his concern and love for others.

He is not only helping to make better schools, but he is at the same time being a better citizen and helping to create a better Belize.

He is truly an example we must all follow and this is the kind of volunteerism and patriotism that we should inspire in all Belizeans.

Ubuntu describes an African philosophy which, when roughly translated, means *‘I am because We are.’*

It speaks to a sense of community and a solidarity with other human beings—your fellow men and women, brothers and sisters.

It speaks to a recognition that one’s humanity is intricately bound up in that of others.

In short, one can only fulfill one’s humanity through other human beings. It’s the realization then we diminish others, in whatever way, we diminish ourselves. When we think of others as being less human, you are in fact being less human yourself. However, when we see the value in other people...when we live for each other...when we show concern for our fellow human beings we are being most human.

SANTA ELENA, Cayo, Friday, May 15, 2009:

The following measures are recommended to avoid catching influenza:

- Keep away from people with respiratory infection.
- Wash hands frequently with soap and water.
- Do not kiss people or shake hands when you greet them.
- Do not share food, glasses or cutlery.

- Ventilate and let the sun into the house, offices and all closed areas.

In the event of sudden high fever, coughs, headaches, muscular pain or pain in the articulations, visit your doctor or health unit immediately.

symptoms disappear.  
Cover your nose and mouth when you cough or sneeze.

## May 15 Is International Day Of The Family

**BELIZE CITY, Thursday, May 14, 2009:**

May 15, is celebrated as the International Day of the Family.

This day highlights the importance of families. It aims at fostering equality, bringing about a fuller sharing of domestic responsibilities and employment opportunities.

The activities undertaken to commemorate the day, work towards supporting families in the discharge of their functions; and promote the inherent strengths of families, including their great capacity of self-reliance.

The National Committee for Families and Children is encouraging committee members, partners and the general public to impress upon families a time for safe family socialization.

As we celebrate May 15, under the theme *“Fathers-Mothers-Families: Challenges in a changing world”*; the NCFC challenges you to take this special day recognized for families, and be creative in reaching and addressing the challenges that face our families and society on a whole.

The year 1994 was proclaimed as the International Year of Families by the United Nations. This was a response to

changing social and economic structures, which have affected and still affect the structure and stability of family units in many regions of the globe.

The International Day of Families is an occasion to reflect on the work started during 1994 and to celebrate the importance of families, people, societies and cultures around the world. It has been held every year since 1995. Family constitutes the basic unit of society. Hence, the widest possible protection and assistance should be accorded to families so that they fully assume their responsibilities within the community to the provisions of the Universal Declaration of Human Rights, the Declaration on Social Progress and Developments, the Convention on the Elimination of all forms of Discrimination against women, and the Convention on the Rights of the Child.

For any further information about International Day of Families and Fun Day activities, in Belize and the rest of the Districts, contact: **Pearl Stuart**, Executive Director, National Committee for Families and Children, 62 Cleghorn Street, Belize City, Belize, Tel: 223-0059/1180 or by email [ncfc@btl.net](mailto:ncfc@btl.net)

## WELCOME AND BEJERANO CHARGED FOR ROBBING CHINESE GROCER

**Continued From Front Page**

**The scene of the crime - BING'S SUPERMARKET located at the corner of Bishop Martin and Hibiscus Streets, Santa Elena Town, Cayo**

from inside the cash register.

Bing Chi told the police that the incident resulted in him losing approximately \$1,200 (**\$700 in cash and \$500 in phone cards**).

Bing's Supermarket is located at the corner of Bishop Martin and Hibiscus Streets in Santa Elena Town, Cayo

After pulling off the broad daylight robbery, the two assailants exited the store and ran down Hibiscus Street as they distanced themselves from the scene.

Although this is the first incident of robbery experienced by Bing Chi since taking over the store about a year ago, the previous two Chinese grocers

who operated from this location have each been robbed at least once. This has led each of them to give up the store subsequent to each of the two previous incidents.
