

We will be among the first to congratulate the police on the aggressive hunt for and successful removal of illegal guns and bullets from within our communities.

These weapons in the wrong hands are causing untold heartaches, sorrows and grief in our once peaceful society.

Notwithstanding however, it is incumbent upon those with the authority to enforce the law to temper their actions with mercy. We continue to hold steadfast to the conviction that an arrest should always be the product of an investigation and not the other way around.

We are going to be among the very last to shed a single tear for known criminals found in possession of these instruments of terror. However, we will be the first to raise our voices when confronted with the merciless dispensing of justice as it pertains to existing illegal firearms law.

As we write this editorial, a 44 year old lady, booked as a Belizean Missionary, and her 30 year old mentally challenged brother are spending a sixth night on the cold cement floors inside holding cells at the San Ignacio police station without being given a chance to explain the situation.

Police visited the house in the village of Unitedville at around 5 o'clock on the morning of Thursday, November 12 and came upon three unlicensed guns and bullets. The lady and her brother were arrested, charged and remanded. End of "*Investigation*". Case closed.

When did we reach the point where the police have stopped performing that cardinal function as it relates to investigating cases before venturing into the realm of depriving an individual of the constitutional right to freedom?

Yes, we appreciate the notion that drastic times require drastic actions but in this pursuit, we should never fail to consider the human element, that sense of caring for a fellow human being.

It's rather difficult to share the whole picture without causing uneasiness in some quarters. Ok, what the hell – we are going to throw that caution to the wind and let the chips fall where they may.

In this business we have grown accustomed to frequent threats of bodily harm by seasoned convicted criminals who dare us to publish their photographs in the newspaper. However, on the contrary, when this lady learnt that we are from the newspaper, she could care less if we published her photograph, she was more concerned about what would happen to her sick brother. She humbly asked us to please bring her a copy of the newspaper.

We did some checks in the village to find out more about this lady and the family. We found out that this lady recently fell on hard times and could no longer afford paying rent for the place she lived and since her father is away in the United States of America, he gave her permission to move into his unoccupied house as a temporary relief. While the father and older brother are away in Texas, the license for their three guns expired and so the police came upon the guns secured inside the father's house.

Our review of the 2007 national register of licensed firearms, the only one we have, clearly shows that at least two of the guns were licensed for that year in the father's name. Gun licenses legally expire on the holders' birthday and since we are not in possession of the 2008 register, we are not in a position to say if the father renewed the licenses on his birthday in February 2008. Obviously, due of his absence, the licenses were not renewed in February 2009.

The bottom line here however, is that the police are not

dealing with never before registered firearms. In fact we were told that these guns have been in this family for many, many years. The police were not dealing with a woman and a brother who threatened anyone with these guns. Granted, that these guns might not be registered for the current year, by all means they must be removed from the premises where they were found and taken into safekeeping. Why however, is some degree of mercy not been shown to a fellow human being and her sick brother.

Given our limited capabilities on this matter we will show all the mercy we can by refraining from publishing this lady's and her brother's photograph as well as the photograph of the guns. Furthermore, whoever that other person is, or persons are, we thank them for showing compassion by allowing the lady and the brother to remain in police lock up, instead of going into the prison environment at Hattieville, until some kind of bail can be arranged for them. We thank the Chairman of Unitedville Village, Mike Juan, for arranging legal representation for them.

Incidentally, a review of the 2007 national register of licensed firearms show no less than 15 guns licensed to a former area representative and minister under the previous administration being eight 12 gauge shot guns, three point 38 handguns, one each 9 mm pistol, a 16 gauge shot gun, an unspecified point 22 (rifle, revolver or pistol) and a point 380 handgun.

Police Escape The Biggest Blood Bath

SANTA ELENA TOWN, Cayo, Wednesday, November 17, 2009:

This article was prepared for publication in the previous edition of the newspaper but it somehow slipped off the raider.

We decided to revive it this week to afford readers an appreciation of the sequence of events that could have easily resulted in the biggest blood bath in the history of the Belize Police Department.

BENQUE VIEJO TOWN, Cayo District, Wednesday, November 4, 2009:

A police constable is today recuperating at the Karl Heusner Memorial Hospital from a gunshot wound he received in an incident that could have resulted in the biggest blood bath in the history of the Belize Police Department.

It was shortly after 7: o'clock on the night of Saturday, October 31, when a group of three police officers from the Benque Viejo Town Police Sub-Formation of the Cayo (*Police*) District were on mobile patrol in western village of San Jose Succotz when they were informed of the presence of two suspicious looking male persons on the road between Clarissa Falls and Calla Creek Village.

The privately owned single cab pickup truck, on loan to the police from a Benque Viejo Town resident, sped off on the approximately 3 miles journey to investigate the report.

In the driver's seat was **Constable 191 Kemsley Duncan** with the patrol commander, **Cpl 626 Emil Bradley**, seated in the front passenger seat and **Constable 376 Donald Pinelo** seated in the pan of the vehicle.

They proceeded all the way up to the entrance of Calla Creek Village and encountered nothing visibly out of the ordinary. However, on the return journey between the entrance of Calla Creek and Clarissa Falls, they spotted some suspicious movements. Duncan stopped the vehicle and they were spotting lights in the bushes when suddenly the found themselves completely surrounded by six heavily armed masked men in dark clothing. The three

policemen, all in #1 dress (*kaki shirt and blue striped pants*) immediately identified themselves as police men. The armed masked men promptly stepped backwards but while retreating, one of the gunmen reportedly fired off several shot at the vehicle as it sped off. One of the bullets struck Constable Donald Pinelo in the region of the right shoulder.

The vehicle with the injured policeman in the back rushed to the San Ignacio Poly Clinic, where Pinelo was checked and rushed to the Loma Luz Hospital and later to the Karl Heusner Memorial Hospital in Belize City where is reported to be recuperating for the gunshot wound to the right shoulder.

As is customary over the past several weeks, accident and emergency cases continue to by-pass the Western Regional Hospital, for the additional 50 mile journey to Belize City because the anesthetic machine at this major hospital in the Capital City is not functioning.

What were the police doing driving a privately owned, unmarked vehicle on **ROUTINE PATROL**? No, they were not on special operations necessitating undercover conveyance. The current situation is that Benque Viejo Police has been operating in transportation crisis mode for over a month, since the blue D-Max previously assigned to that Sub-Formation was damaged in a fatal traffic

accident in San Ignacio Town on October 3. An unreliable Ford Focus Patrol car is presently on loan from the San Ignacio Detachment but this car can hardly move around the streets of Benque Viejo Town, much less the dirt road into the surrounding villages and therefore a few good Samaritans in the community have been helping out the police by loaning them their privately owned vehicle.

Yes, we appreciate that the nation's finances is not all that healthy, but then why is someone, maybe like the police legal officer, not looking into sorting out the legal web over those many usable vehicles that are deterioration and going to waste on the Custom compound in Belize City and elsewhere around the country?

An Improtant Lesson In Life

Little Johnny watched his daddy's car pass by the school playground and go into a nearby wooded area.

Curious, he followed the car and saw Daddy and Aunt Jane in a passionate embrace.

Little Johnny found this so exciting that he could hardly contain himself as he ran home and started to tell his mother.

"Mummy, I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, and then he helped her take off her shirt. Then Aunt Jane helped Daddy take his clothes off, then Aunt Jane..."

At this point Mummy cut him off and said, "*Johnny, this is such an interesting story, let's save the rest of it for supper time. I want to see*

the look on Daddy's face when you tell it tonight.'

At the dinner table that evening, Mummy asked little Johnny to tell his story.

Johnny started his story, "I was at the playground and I saw Daddy's car go into the woods with Aunt Jane. I went back to look and he was giving Aunt Jane a big kiss, then he helped her take off her shirt. Then Aunt Jane helped Daddy take his clothes off, then Aunt Jane and Daddy started doing the same thing that Mummy and Uncle Bill used to do when Daddy was away working down south in Punta Gorda Town."

Mummy fainted!

Moral of the story: Sometimes you need to just shut up and listen to the whole story before you interrupt!

Hon. Erwin Contreras - Keeping A Campaign Promise

**BY: Mike Hernandez Sr, JP.
BENQUE VIEJO TOWN,
Cayo District, Wednesday,
November 12, 2009:**

Over a hundred students of low income families attending three major high schools in the Cayo District will now be able to register and sit at least 5 CXC examinations as a result of a financial donation made by the **Hon. Erwin Contreras**, Minister of Economic Development, Commerce, Industry and Consumer Protection and Area Representative for Cayo West.

During the morning hours on Wednesday, November 11, 2009, Minister Contreras presented individual cheques totaling over \$18,440 to the

The first stop was at Sacred Heart College in San Ignacio where Minister Contreras (R) handed over a 6 Thousand Scotia Bank Cheque To Principal Dr. Eve Aird (L)

Principals of Mopan Technical College, Mount Carmel High

School in Benque Viejo Town and Sacred Heart College in San Ignacio.

The money, which was raised through the Minister's personal efforts, will be used to assist needy fourth form students, who could not otherwise pay to register and sit these exams. The money will cover expenses for five CXC's for each student.

The donation is in fulfillment of a campaign promise made by Minister Contreras to "create

a scholarship/financial assistance program to assist students of low-income families, and the expansion of high schools in the Cayo West area."

"It gives me a tremendous sense of accomplishment and joy to be able to assist those talented students, who are excelling in their studies, but who are in need, especially in these difficult times." Minister Contreras said.

"Although small, this donation is a meaningful contribution to the advancement of the education and the future of over a 100 students, who are our leaders of tomorrow," he added.

Minister Contreras pointed out that he remains committed to the advancement of education and the overall development of the Cayo West division. And he has kept this promise.

On the visits to Mount Carmel High School and Mopan Technical High School, Minister Contreras was accompanied by His Worship the Mayor of Benque Viejo Town, **Nicholas Ruiz**.

The second stop was at Mount Carmel High School where Minister Contreras (R), accompanied by Benque Viejo Town's Mayor, Nicholas Ruiz (L), handed over the Scotia Bank Cheque to Principal Rodolfo Juan Jr. (C)

The final stop on the tour was at Mopan Technical High School in Benque Viejo Town where the Scotia Bank cheque was handed over to Principal Francisco Tun (3rd) in the presence of Mayor Nicholas Ruiz (1st) and Teacher, Marco Antonio Tesecum (2nd)

Your Horoscope & Lucky Numbers

ARIES: March 22 to April 20

Things will work out well for you at the place of work. Financial gains are indicated through games of chance. However, you need to make money-related decisions, keeping a balanced head on your shoulders. It is a phase when you will enjoy the company of loved ones. **Lucky Numbers: 09, 12, 46.**

TAURUS: April 21 to May 21

There is an increased understanding in relationships at all levels and this fosters a sense of calm in you. You are productive at work and cautious with the money you have generated assiduously over a period of time, even as you look forward to investing it in a new project. **Lucky Numbers: 06, 24, 57.**

GEMINI: May 22 to June 21

This week it could be your health that takes a hit. Your tendency to avoid human contact, prevailing since last week gets pushed back as you see how many people actually rally around you in your bout of ill-health. You also realise that overdoing things as work is not a solution to mental turmoil. **Lucky Numbers: 05, 33, 61.**

CANCER: June 22 to July 23

There will be enough opportunities coming your way, to show your brilliance. The real show stealer will be your people skills – how deftly you manage the negotiations and diffuse crises. It will also be a discovery for you wherein you learn that being accepting of other points of view gets you respect. **Lucky Numbers: 02, 52, 87.**

LEO: July 24 to August 21

This week can be a good phase for you as you juggle pressures of work and demands of relationships equally well. There will be opportunities for socialising. But you will be looking at networking through meeting people. There will be some very tangible gains. **Lucky Numbers: 01, 78, 95.**

VIRGO: August 22 to September 21

You are committed to a matter close to your heart that affects the community in general. There will be events of a greater magnitude, seeking your intervention and your help. Also money matters will require looking into. People around you will seek you for advice on important

matters. **Lucky Numbers: 04, 27, 49.**

LIBRA: September 22 to October 23

There are adventures and outdoor activities that engage you. Also, there is the renewal of an old tie or formation of a bond that will last for a long time. Do not let the sour temperament of other people dampen your natural zest for life. **Lucky Numbers: 08, 15, 60.**

SCORPIO: October 24 to November 21

Your character acquires a depth, where you are on the lookout for more meaningful achievements. Spiritual development interests you greatly. There are indications of stimulating discussions and pleasant interactions with intellectuals or people who are experts in their own fields of work. **Lucky Numbers: 18, 36, 98.**

SAGITTARIUS:

November 22 to December 21

This week sees you focussed on the goals that you wish to achieve professionally. And you will be set to exploit all means to achieve them. You will need to chart out a well planned course for your objectives and stick to it. In relationships, you will be very satisfied. **Lucky Numbers: 03, 21, 54.**

CAPRICORN: December 22 to January 20

There is mental peace and balance. Add to that, a general warmth in your relationships and work environment – does not leave much wanting, does it? There are also indications that if you have money stuck in an old scheme or loaned out and not realised, it may well find its way to you. **Lucky Numbers: 07, 23, 96.**

AQUARIUS: January 21 to February 19

There is a special concern that you lavish on your family. More like a homebody, you are likely to be content being with your loved ones. Those single and willing could find a suitable partner. People at your workplace may also like the pleasant and approachable side of your persona. **Lucky Numbers: 14, 66, 72.**

PISCES: February 20 to March 21

There will be many worries but there will be equal number of responsibilities to be carried out. There may also be causes that you take up as your own. Issues with family members will need to be resolved with kid gloves. If someone comes forward for a patch up, accept the offer. **Lucky Numbers: 35, 82, 90.**

45 Million Belize Dollars IDB Loan Earmarked For Health, Education, Land Management & Agriculture

BELMOPAN CITY, Cayo District, Monday, November 16, 2009:

The Government of Belize (GOB) and Inter American Development Bank (IDB) today signed three Loan Contracts amounting to US\$22.5 million for the financing of policy support programmes in the areas of Health Care, Secondary Education, Land Management and Agriculture.

The financing expected to assist the Government of Belize by providing timely fiscal stimuli to key sectors of the economy as Belize is combating the negative effects from the global financial crisis.

The total amount of the financing is US\$22.5 million and is allocated as follows:

US\$15 million toward health and education initiatives under the Government of Belize's National Poverty Elimination

Prime Minister, Hon. Dean Barrow (R), signing on behalf of the Government of Belize; Deputy Prime Minister and Minister of Natural Resources, Hon. Gaspar Vega (L)

Strategy, mainly the National Health Insurance Pilot Programme in the Southern Districts of Belize for the augmentation of the number of enrolled citizens to have access to free primary health care, and the Education Sector for the improvement of affordability and quality of secondary education, all within a

framework of fiscal sustainability and financial stability, as well as the strengthening of information and beneficiary target systems in the social sectors;

US\$2.5 million toward a Land Management Project aimed at improving the quality, efficiency and transparency of the land management services by enhancing, expanding and consolidating the current information system and improving country-wide access to these services.

US\$5.0 million toward Agriculture improvement and innovations through research and training of personnel for the reduction of risks to plant and animal health, as well as research and extension projects for Applied Agricultural Production, that support the Government's efforts under the National Export Strategy that was launched in November 2008 which promotes increased market access and product diversification of Belize's traditional products, while at the same time protecting the environment and the natural resources of Belize.

Signing on behalf of the GOB was the **Hon. Dean Barrow**, Prime Minister and Minister of Finance while **Ms. Gina Montiel**, Country Manager for Central America, Panama, the Dominican Republic and Belize signed on behalf of the IDB.

In signing the loan contracts, Prime Minister Barrow expressed his sincere thanks and appreciation to the President, Executive Directors and Senior Management of the Bank as well as technical staff of both the

Bank and the Government who worked diligently to bring the Projects to an early approval. He said that this is yet further clear evidence of the continued support that his Government has gained from the international financial institutions in the areas of social policy development, public financial management reform, and infrastructure development. He stated that this financing package will assist the Government greatly in its effort at implementing countercyclical measures aimed at offsetting the negative the impacts of the current economic downturn. The Prime Minister also reaffirmed the GOB's commitment to policy reform and to expanding and improving the productive infrastructure base in Belize.

Speaking on behalf of the IDB, the Country Manager said *"The IDB is pleased to be partner in the development of Belize and to have the opportunity to support the strategies of the Government to promote growth and to open new economic opportunities for Belizeans. The Bank is also happy to be able to contribute to programmes of social protection in the areas of education and health as well as to be able to support other programmes aimed at promoting private sector investment."*

Present at the signing were the Deputy Prime Minister and Minister of Natural Resources, **Hon. Gaspar Vega**, as well as several Chief Executive Officers and other senior Government Officials from the Ministries of Natural Resources, Agriculture, Economic Development and Finance.

Ministry of Health

Belmopan. November 11, 2009:

The Ministry of Health in collaboration with the Caribbean Food and Nutrition Institute (CFNI) and the Pan American Health Organization (PAHO) is hosting a four-day workshop November 9-12, 2009 on Food-Based Dietary Guidelines and Food and Nutrition Planning and Co-ordination at the Belize Institute of Management in Belize City.

Over 30 participants from the Health, Education and Agriculture sectors are attending the workshop. Objectives of the workshop include:

- To present the health and nutrition situation of Belize to a national multi-sectoral committee.
- To discuss implications of the health and nutrition situation and strategies for alleviating them
- To determine priority problems and set national objectives to be addressed through food based Dietary Guidelines.
- To strengthen the capacity of the members of the Belize Food and Nutrition Security Commission to execute their main function of advising government on appropriate Food and Nutrition policies and facilitating the effective coordination and implementation of these policies.

It is expected that at the conclusion of the workshop, the following will have been accomplished:

- A Situation Analysis for Belize will have been developed
- Task Force members will have been identified
- A revised draft Food and Nutrition Policy and Plan of Action Developed
- Strengthening of the Food and Nutrition Security Council

Facilitators at the workshop include a three member delegation from the CFNI which includes Food Economist – Dr. Ballayram, Agricultural Nutritionist – **Mrs. Christine Bocage** and Nutritionist – Audrey Morris. The workshop ended on November 12, 2009.

Participants include a three member delegation from CFNI as well as Ministry of Health Personnel.

DENTAL HEALTH WEEK A SUCCESS

Belmopan. November 10th, 2009:

Dental Health week was officially opened on the 1st November under the theme “*Behind Every Healthy Smile is a Healthy Child.*” During the course of the week dental awareness activities were held throughout the country. These included the distribution of tooth brushes, question and answer sessions at the government dental clinics, tooth brushing drills, promotion of healthy food and snacks, illustrations of parts of the tooth and their functions.

One of the highlights of the week was a Dental Workshop held on November 5th, which was followed by a Dental Health Fair in San Pedro Town. During the workshop, staff of the Dental Department analyzed the overall performance of the department’s program activities that are carried out in accordance with the National Action Plan. Modifications were made and solutions were discussed to improve the programs, so as to provide better dental services for the Belizean population.

The Dental Health Department, Ministry of Health expresses its sincere thanks to all those who assisted to make this annual event a success. Special thank you goes out to Grace Kennedy and Menarini for their assistance.

The purpose of the Dental Program is to promote lifestyles that will reduce dental decay, dental diseases and to diagnose

The week of activities included a Dental Workshop and dental awareness activities.

and manage dental decay and associated morbidity.

The principal services provided include the following:

- Outreach mobile clinics to rural areas
- Dental health education through mass media
- Urban and rural school visits
- In-patient surgical services

All five persons emerged with non-life threatening injuries as follows: **Adrian Murillo**, driver of the Nissan Frontier: Bruises to the right shoulder and right leg; passengers **Camilla Gomez**: Bruises to the forehead and **Maria August**: Injuries to hand, leg and hip while **Melvin Morales**, driver of the Chevy Tracker emerged with an injury to the right shoulder and the passenger **Rony Padilla** received bruises to the forehead.

Both vehicles were licensed and insured.

Police are now awaiting the results of blood tests taken from both drivers to determine the next course of action.

BELIZE WATER SERVICES LTD.

PRESS RELEASE

(L-R) BWS Collection Agent, Grace Thompson; BWS CEO, Alvan Haynes; Boom Chairlady, Dawn Flowers; Hon. Edmund Castro; Boom Vice Chairman, Abel Gutierrez

Belize City, Belize. November 11, 2009:

BWS provides improved water pressures to Burrell Boom

Belize Water Services has improved its service to over 500 customers in Burrell Boom Village area. The growing population in this area has put a strain on existing infrastructure which has resulted in low water pressure at peak times. BWS has sought and recently obtained financing from the Caribbean Development Bank for a major upgrade to the transmission line into Burrell Boom which will fully alleviate this problem. However, in the meantime, residents have been complaining and BWS, in response, has opted to refurbish and commission a previously unused water storage tank, located in the village. The use of this tank, which has been fully operational for the last five weeks, has served to improve pressures considerably thereby enabling a higher and more reliable output to customers. The company officially inaugurated this 20,000-gallon storage tank on November 11, in Burrell Boom.

Many customers have expressed their satisfaction with the improved supply. Minister of State in the Ministry of Works and Area Representative for Burrell Boom Village and other surrounding areas, **Hon. Edmond Castro**, who was present for this inauguration, expressed his satisfaction and appreciation on behalf of his constituent members in Burrell Boom, Ladyville and other surrounding villages.

Ms. Grace Thompson, an area resident and BWS collection agent commented “*The water flows well all the time now. I was wondering what BWS did to make such a difference.*”

Another villager, **Chris Vernon**, explained happily, “*Finally, I can use my tank-less water heater*”.

The Chairperson and other area residents have commented that their washing machines can now be used at all times of the day and that they can take a proper shower even at peak times.

This is the first step in the works to commence in this village, all in an effort to increase pressure and reliability of service to our valued customers from Burrell Boom.

In the near future residents will experience even better supply with the installation of 5.3 miles of 10" transmission mains from the Northern Highway to Burrell Boom Village.

The objective of this, and other projects across the country, is to ensure a constant and reliable of supply of high quality potable water to customers even during peak demand and power outages.

Belize Water Services Ltd. is committed to providing the best and most reliable service to all customers across the country.
