SAN IGNACIO TOWN, Cayo, Wednesday, 12 October 2011:

A shoplifter was today caught in the act. He was detained by the store owner and handed over to the police.

Belizean businessman, **Hector Guerra**, owner of Celina’s Superstore located at #43 Burns Avenue in San Ignacio Town reported to police that at around 10 o’clock on Wednesday morning, 12 October, a male person of dark complexion entered his store and proceeded to the hardware section. Guerra informed that due to prior suspicious actions of this individual, his movements inside the store were monitored. It did not take long for him to be seen pushing something into the front waist band of the pants he was wearing. As he was approaching the exit, Guerra requested to see the concealed

object he was carrying. When questioned he said that he was carrying nothing. Guerra detained and searched him resulting in the discovery of gold plated, Home brand, dead bolt lock priced at \$29.95.

The shoplifter was identified as **Kenneth Tillett**, 45, Belizean laborer residing at #2 Collins Boulevard in San Ignacio Town. He was transported to the police station where he was promptly

 He is gone but not forgotten;
 And as dawns another year;
 In our lonely hours of thinking;
 Thoughts of him are always near.
 Days of sadness will come o'er us;
 Friends may think the wound is healed;
 But they little know the sorrow;
 That lies within the heart concealed.
 Sadly missed by his children, brothers, sisters, nieces, nephews and other family and many friends.

Oceana And St. John's Junior College Join Forces To Clean Up The Coastline

BELIZE CITY, Saturday, 1 October 2011:

Two great forces! **Oceana** and 30 students from **Oceana SJCJC's (St. John's College Junior College)** student club joined together as one group today, with a goal to clean along the coastline from BTL Park to the Baron Bliss Light House in Belize City.

This was in conjunction with the Scout Association of Belize's Annual Beach and Riverways Clean-up.

The students astonished themselves by filling thirty garbage bags that day with everything from liquor bottles

to disposable diapers and condoms.

Club president **Marcelo Cowo** commented: *"We students and*

adults from all over have our enjoyment when we're by the seawall, but what we all don't know is how filthy we all leave [it] to the end." He continued to say *"Oceana and Oceana SJC is not only about the oceans and the marine eco-system, we also care about our environment and being green is apart of a healthy life style. I hope by what my club members learnt day is... to become better role models and not to encourage littering..."*

Belize City wasn't the only place where a clean up campaign was held that day. Club members who live in the North also participated in a similar, successful activity in Orange Walk Town.

MOH launches suicide resource pamphlet

The Ministry of Health in partnership with the Mental Health Association of Belize conducted its third annual Mental Health Conference on September 1st and 2nd, 2011 at the Belize Institute of Management (BIM) offices in Belize City.

During its opening ceremony on Thursday, the Mental Health congratulated over 170 nurse practitioners who completed a thirteen week training sponsored by the Royal Marsden Foundation Trust. The pamphlet has information that will serve as a resource tool to assist teachers confronted with this preventable disorder.

The Mental Health Program of the Ministry of Health is assisting teachers in this instance because they are seen as one of the main partners, aside from parents, that have a major influence on adolescence.

The Suicide Risk Guidelines was produced in association with the Mental Health Association of Belize and supported by the Ministry of Education.

NICHOLAS RUIZ – THE BEST MAYOR BENQUE VIEJO HAS EVER HAD

BY: E. Puc, Benque Viejo Town, Cayo District

I have been reading, with much concern, the recent snide shots taken at our esteemed Mayor of Benque Viejo Town, **Nicholas Ruiz**.

“*Snide shots*”, I say because it is evident that the mischief is orchestrated by that outsider who has lived all his immoral life, raking in the big bucks from his law practice, in Belize City, and now wants to come to represent the good people of Cayo West.

We want this individual to know however that the seeds of discord he is attempting to plant in our community will never take root. Those of us who have chosen to make our livelihood in Benque Viejo Town, instead of running away, know better than to believe this latest round of political mischief.

My only regret in the unfolding of this mischievous act is that this imported political animal is using an unsuspecting young talent, our lovely beauty Queen, as a tool of his selfish and mischievous act. My experience has consistently shown that after using our people, these political animals just throw them away like garbage while moving on to new victims to be

**Mayor Nicholas Ruiz (R) - receiving financial support from the Belize Water Services Limited for the refurbishing of the Del Carmen Park
BWSL Chairman Herman Longworth (L)**

used in their selfish games.

To our beauty Queen I say, they come like wolves in sheep clothing. All you need to do is ask this immoral character to show you the status of his personal household which, as everyone knows, is in turmoil because he stands accused, and perhaps even condemned, of immorality against his very own niece. Beware as unsuspecting young girls seem to be his preferred prey. Don't fall victim to this predator.

As elections draw nearer you will see him coming around with building supplies. You will see him coming around with groceries. You will see him coming around with cash and, as the season approaches, you will no doubt see him coming around with Christmas toys for our children.

Remember that your vote is secret. He will NEVER know how you vote so by all means take his construction supplies. Take his groceries. Take his cash. In fact, give him your light, water, telephone and other bills. Tell him to pay your bills with the cash he brings. Take the toys and Christmas goodies he brings and ask him for more because this is all you will ever get from him.

After you have taken that which he brings, sit back and ask yourself, what has this individual ever given us, what has he ever done for us in the years prior to him seeking political office? Not surprisingly, the answer will be a resounding NOTHING. After you have done this evaluation you would have effectively caught another PUP in his cunning ways. To our Mayor and councilors I say, don't be distracted by this predator as they will come in many forms and shapes. Just keep up the good works that you have been doing in our community and on Election Day, in March 2012, your people will return the love you have given them over the years. All I ask however, is for you protect our beauty Queen, she is not the enemy but rather a potential victim of PUP deceit. Do not allow her to fall into the evil arms of the Belize City predator.

The record clearly shows that Nicholas Ruiz is the BEST Mayor our town has ever known. Benque

Viejo Town, under Mayor Ruiz, is the BEST it has ever been beyond comparison. We have recently been declared the cleanest town in the entire country; this was certainly not accomplished by accident. This honor was achieved through the hard work and dedication of Mayor Ruiz and his team with full support from the good people of Benque Viejo Town.

Under Mayor Ruiz, George Price Boulevard, with beautiful plants and garbage receptacles at strategic intervals, is now a wonderful sight to behold.

Several streets, neglected for generations by previous Mayors, have been, for the very first time, paved with hot mix, something that our town has NEVER seen.

The Marshalleck Cancha has been modernized. A refurbished Cancha now stands in that place where an eye sore once stood.

Our town council, under that able leadership of Mayor Ruiz, has recently upgraded the Del Carmen Park and the Chiclero Park, neglected for many, many years by successive town councils.

Our Coronation Park will very soon become the greatest pride in our community. It will provide a place where our children can recreate and where we can interact as a loving community in peace and harmony.

Under Mayor Ruiz, Telemedia has returned to our municipality. Our own bank is currently under construction and will be opening soon. Furthermore, our Mayor is actively seeking for the opening of a Social Security Branch office and a Belize Water Services office in our town.

In conjunction with our Area Representative, Benque Viejo now boasts a spanking new community hospital with adequate equipment and medical supplies as well as a new ambulance.

Our council continues to lend its support for the construction of a new Helpage building which is soon to be inaugurated. The list of accomplishments can just simply go on and on.

Like Minister of Works, **Boots Martinez** reminds us “*Pay no mind to the noise in the market*”, Mr. Mayor, “*just check your change.*”

I express these thoughts in brotherhood for a Benque Viejo Town that is aggressively moving towards true development from the stagnation it once was under successive mayors and councilors.

BTB Represents Belize At The 18th Annual Florida-Caribbean Cruise Association Conference

BELIZE CITY, Belize, 13 October 2011:

The Belize Tourism Board (BTB) proudly represented Belize at the 18th Annual Florida-Caribbean Cruise Association Conference (FCCA), which was held in San Juan, Puerto Rico from October 3rd – 7th.

Belize was represented by BTB’s Marketing Director, **Ms. Yanick Dalhouse** and BTB’s Travel Trade Manager, **Ms. Michelle Bowers**.

The FCCA fosters a better understanding of the cruise industry and its operating practices and aids in building cooperative relationships with its partner destinations.

It also develops productive bilateral partnerships with every sector.

The FCCA works with governments, ports and all private/public sector representatives to maximize cruise passenger, cruise line and cruise line employee spending, and the amount of cruise passengers returning to our country as

Belize’s booth at the Trade Show

stay-over visitors. Throughout the conference, the BTB had the opportunity to meet with representatives

from various Cruise Lines such as **Christopher Allen** from Royal Caribbean, **Jennifer Marmanillo** from Norwegian Cruise, **David Candib** from Carnival Corporation and **Lisa Jensen** from Princess Cruises.

“This is a great opportunity for delegates such as us to meet colleagues from various destinations and cruise executives,” comments Marketing Director, Yanick Dalhouse. *“We are happy to play a part and we look forward to strengthening our relationships with the FCCA and its Member Lines even more in the future.”*

For more information on the Trade Show, you can visit www.f-cca.com or contact Lenny Ayuso at the Belize Tourism Board at 227-2420.

Belize City, Belize – The Belize Tourism Board and MatadorU are pleased to give an update on our Belize Travel Road Warrior Program, and we are equally delighted to introduce our new Road Warrior, **Mr. Norbert Figueroa**.

With the program running for 6 months now, the BTB can affirm that the Program has satisfied the expectations of the BTB’s 2010-2012 Action Plan, exceeding all objectives outlined for this Program in the plan. With over three million views since its launch in April, the Road Warrior initiative has truly been fulfilling its mandate: helping to aggressively position Belize on the cutting edge of destination marketing through the bold, innovative, and strategic use of blogging and other digital and social media platforms.

New Road Warrior, Norbert Figueroa, is poised to expand these successes exponentially. Born and raised in Puerto Rico, Norbert moved to New York City after graduating from the University of Puerto Rico with a degree in architecture. His work as a New York City-based architect gave him a deeper appreciation for

the built environments where people live, work, and socialize.

Although he enjoyed helping to design such environments, he eventually realized what he loved even more was traveling and applying his architect’s eye to what he saw in other countries... and telling other people about those sights. This month, he set off on an open-ended round-the-world journey, and Belize is his first stop.

Clearly, Belize offers incredible opportunities to an architect with a passion for global culture. Norbert will be sharing about all that Belize has to offer for the 12,000 + readers of his personal blog, globotreks.com, as well for 1.6million readers of MatadorNetwork.com, and other outlets.

Norbert also expands the reach and impact of the Road Warrior program through his expert use of multiple social media platforms. In addition to his robust followings on twitter (2,145) and Facebook (1,034 followers for globotreks page; 545 personal friends), Norbert brings social media tools to Belize that have not yet been used widely here.

He is actively using Foursquare, a “check-in” social media platform with more than 10 million users, as well as Instagram, a photo sharing platforms. These tools provide industry businesses with even more exposure and opportunities for creating conversations among users and followers, through the sharing of rich, real-time content. The BTB is pleased to welcome Norbert and looks forward to reporting his achievements to industry stakeholders.

★STAR HUMOR★

Did You See That

Two friends are walking down the road when the first guy asks, "Did you see that?"

"No," responded the second guy.

"Well, one of the most beautiful star just shot across the sky," the first guy says.

"Oh," says the second guy.

A couple of minutes later, The first guy says, "Did you see that?"

"See what?" the second guy

asks.

"Are you blind? a big white bird just flew out of that hill, over there", says the first guy.

"Oh." responds the second guy.

A few minutes later the first guy says: "Did you see that?"

By now, the second guy is getting aggravated, so he says, "Yes, I did!"

And the first guy says: "Then why did you step in it?"

Earning The Small Wages

A lady dies and goes to heaven. she finds herself standing at the Pearly Gates the end of a line with two persons ahead of her.

St. Peter tells the three new arrivals that the new procedure is for each person to state their annual salary and their former occupation.

The first man in line says, "I was an actor, and I earned \$1 million last year."

St. Peter says, "Okay, you may enter."

He turns to the next in line and asks him about his life.

He states, "I earned \$150,000. I was a medical doctor."

St. Peter thinks for a moment and then lets him in, too.

He turns to the lady at the end of the line and asks, "And You, tell me, what have you done with

your life?"

The lady replies, "I earned \$8,000 last year . . ."

"Oh," St. Peter interrupts. "Where did you teach?"

The Best Gunfighter In The West

Morris, a young man in the Old West, wanted to be the best gunfighter alive.

One night as he was sitting in a saloon, he spotted an old man who had the reputation of being the greatest gunfighter in his day.

Morris walked up to the old man and told him his dream.

The old man looked him up and down and said, "I have a suggestion that is sure to help."

"Tell me, tell me," said the young man.

"Tie the bottom of your holster lower onto your leg."

"Will that make me a better gunfighter?" asked Morris.

"Definitely," said the old man.

Young Morris did what he was told. He drew his gun and shot the bow tie off the mean looking piano player. "Wow, that really helped. Do you have any more suggestions?" asked Morris.

"Yeah," responds the old man "If you cut a notch in the top of your holster where the hammer hits, the gun will come out smoother."

"Will that make me a better gunfighter?"asked Morris

"It sure will," said the old man.

Morris did what he was told and drew his gun and shot a cufflink off the same mean looking piano player. "This is really helping me. Is there anything else you can share with me?" Morris asks.

"One more thing," said the old man. "Get that can of axle grease over there in the corner and rub it all over your gun."

The young Morris didn't hesitate and started putting the grease on the gun.

"No, the whole gun, handle and everything," said the old man.

"Will that make me a better gunfighter?" asked Morris

"No," said the old man, "but, when Wyatt Earp gets done playing that piano, he's going to put that gun where the sun don't shine, and it won't hurt you as much."

Esperanza Village's Jiron Family - Latest Victims Of Home Invasion

ESPERANZA VILLAGE, Cayo, Saturday, 8 October 2011:

There is yet another home invasion to report this week, this time however, on the outskirts of Santa Elena Town, in the village of Esperanza.

Jose De La Cruz Jiron, Belizean businessman, reported to police that at around 8 o'clock Saturday night, 8 October, he was inside his house in Esperanza Village in the company of his wife

and their two children (*an 11 year old son and a 16 year old daughter*) when three masked male persons in dark clothes rushed into the house.

One of the masked men was armed with a black pistol which he reportedly used to hit Jiron in the head.

One of the others reportedly pushed his hand into Jiron's pants pocket and relieved him of his wallet containing about 1,600

dollars in cash.

The attackers proceeded to search the house and in the process helped themselves to a black bag containing an additional 500 Belize dollars and 500 US dollars in cash, all for a total cash haul of 3,100 dollars.

The assailants reportedly also made off with personal documents which they found inside a metal safe. They then fled the scene and disappeared into the

darkness of the night.

Jiron emerged from the incident with two cut wounds, one to the forehead and the other to the back of the head. His daughter also complained of headaches from being pulled by the hair by one of the assailants.

The investigation led to the initial detention of three male suspects from Esperanza Village. However, at the expiration of the stipulated 48 hours of detention, they were released without charge. There has been no subsequent arrest as the investigation continues.
